South Deep Community Trusts – General Projects Fund

The South Deep Community Trust's General Projects Fund is a programme that aims to foster community development and upliftment within the South Deep Mine's host communities by providing smaller grants to initiatives that directly contribute to local growth and well-being. Tshikululu Social Investments is the administrator of the South Deep Community Trust.

If you have a project or initiative that can make a positive impact in your community, we encourage you to apply.

Who can apply

We welcome applications from both individuals and organisations based in the South Deep Mine's host communities in the **West Rand Municipality**, i.e. Bekkersdal, Kalbasfontein, Hillshaven, Poortjie, Simunye, Westonaria, Zuurbekom, Thusanang Informal Settlement, Jachfontein

How to apply

Applications will only be accepted via the online application platform linked below. No hard copy or email applications will be accepted.

When to apply

The programme has no fixed deadline for applications. Applications will be assessed by the trust on a rolling basis.

When to expect a response

Applications will be assessed, and feedback will be provided at the end of each quarter
